1. Set up a tour of the building for new student/students and family. The tour will take place with the school principal and/or school counselor and will include the student's teacher.
2. A mentor will be assigned to the new student. The mentor will be a student in their class who can help the student adjust to the new school climate and be a buddy in other settings such as hallway, pe, etc.
3. A lunch buddy will also be assigned to the new student.
